

Extra-Study Assignment #2

PAUL'S AUTOBIOGRAPHY

Part 1: Reading assignment

Goal: to prepare for the next class session

Task: Read 1 Cor 2:6-3:23

Part 2: Written assignment

Goal: Help the student gain a sense of who the author of the letters to the Corinthians was, what he went through to be faithful in serving the Lord and how people responded to him. The more we know about the author, the better we are able to understand what he wrote and why.

Task: Skim through the books of 1 and 2 Corinthians and note all Paul's references to himself and his personal interactions with others. From this, piece together a biographical sketch of the apostle, just from these two books.
