

Extra-Study Assignment #3  
**SERVING THE LORD**

**Part 1: Reading assignment**

**Goal:** to prepare for the next class session

**Task:** Read 1 Cor 5-6

**Part 2: Written assignment**

**Goal:** To stretch the student in discovering the Christian character for serving the Lord, as seen in the apostles and early ministers.

**Task:**

1. (3:1-4:2) Discover and summarize all that this section has to teach concerning the place and tasks of Christian workers. What is, or should be, their relationship to: (a) God, (b) each other, and (c) those among whom they work?
2. (4:1-21) What lessons are to be learned from the earthly lot of the apostles? Why are men's judgments concerning the worth of a Christian's ministry of such little value? How and when will the real worth of a man's work for God be made plain? Can the value of what he does affect his own salvation? Or what will affect it? See also 3:13-15.
